

Cattle Nose Pliers

Big bull nose ring with clamp plus 10 big cow nose rings.

Product code	271
Specification code	04918
Primary category	Cattle Farming Equipment
Secondary category	Cattle Restraint and Handling Equipment

This cattle nose pliers is designed for routine use in cattle farms, ranches and livestock farms. It uses metal construction or components suited to routine farm use.

Features

- Material: metal.
- Purpose-built structure for routine use as a cattle nose pliers.
- Simple construction supports convenient installation, operation and maintenance.
- Designed for regular use in livestock-production environments.

Advantages

- Supports efficient day-to-day livestock management.
- Practical construction simplifies routine operation and maintenance.
- Suitable for regular use in commercial farm environments.

Description

Suitable for routine handling of cattle. Inspect the tool and working surfaces before use and clean or disinfect them as appropriate. Operate with suitable restraint and trained handling practices, then clean, dry and store the tool after use.
