

Plastic Piglet Feeder

6 g plastic tank - brown

Product code	834
Specification code	1552
Primary category	Pig Farming Equipment
Secondary category	Pig Feeding Equipment

This plastic piglet feeder is designed for feed handling and feeding management in pig farms, nursery houses. It uses plastic construction or components suited to routine farm use.

Features

- Material: plastic.
- Reinforced construction improves durability for routine farm use.
- Purpose-built structure for routine use as a plastic piglet feeder.
- Simple construction supports convenient installation, operation and maintenance.

Advantages

- Improves day-to-day operating efficiency.
- Helps reduce unnecessary material or resource waste.
- Supports efficient day-to-day livestock management.
- Practical construction simplifies routine operation and maintenance.

Description

Suitable for routine use in nursery houses. Install the unit securely according to the feeding-system layout and avoid overloading or blockage. Remove residual feed and inspect moving or connecting parts regularly to maintain stable operation.
