	Catégorie principale	Matériel d'élevage bovin
	Sous-catégorie	Matériel d'identification des bovins

This cattle identification band is designed for routine use in cattle farms, ranches and livestock farms.

Caractéristiques

- Purpose-built structure for routine use as a cattle identification band.
- Simple construction supports convenient installation, operation and maintenance.
- Designed for regular use in livestock-production environments.

Avantages

- Improves day-to-day operating efficiency.
- Reduces manual workload and repetitive handling.
- Suitable for routine use in commercial and large-scale livestock operations.

Description

Suitable for routine use in cattle farms, ranches and livestock farms. Check the product, installation points and connecting components before use. Operate according to the selected model and farm procedure, clean the equipment regularly, and replace worn parts when necessary.
