This cattle-manure briquette press mold is designed for routine use in livestock farms, ranches and livestock farms.

特徴

- Product type: cattle-manure briquette press mold.
- Material: galvanized.
- Material: galvanized finish.
- Manual design allows straightforward operation without complex controls.

利点

- Improves day-to-day operating efficiency.
- Corrosion resistance supports long service in humid farm environments.
- Flexible operation makes the product easier to use in different farm areas.
- Helps reduce contamination risk during routine use.

製品説明

Suitable for routine handling of cattle. Check the product, installation points and connecting components before use. Operate according to the selected model and farm procedure, clean the equipment regularly, and replace worn parts when necessary. Final dimensions, configuration and operating limits should be confirmed against the actual ordered product.
